

## Our Mission

Our mission is to assist and support people with disabilities, to enhance the quality of their lives through increased independence in work and leisure activities.

## Our Core Values

### INDIVIDUALS MATTER

Every individual deserves to be given dignity and respect.

### IT'S POSSIBLE

Anything can be accomplished through teamwork and innovation.

### ADD VALUE

Do better. Do more. We believe that when we can, we should.

# Discover, Connect, Thrive

**At Nexus Chico and Nexus Oroville, we welcome individuals into inclusive, supportive environments where they can explore their interests, gain new skills, and connect with their communities.**

Our programs are designed around each participant's unique goals, helping them thrive through a balance of learning, creativity, and real-world engagement.

## Center Activities that Inspire

Both centers offer dynamic spaces where participants express themselves through arts and crafts while building confidence through essential life skills such as reading, math, organization, and communication. Monthly client meetings ensure everyone has a voice, and those interested in leading classes are encouraged to do so—helping them grow as leaders and mentors.

## Technology for Independence

Our computer labs support clients of all skill levels in developing digital literacy. Whether

*Participants benefit from hands-on, practical training.*

just starting out or building on existing skills, participants benefit from hands-on, practical training that helps them become more independent and confident in navigating today's digital world.

## Tailored Support for Every Journey

Both Nexus Chico and Nexus Oroville provide customized services that blend engaging center-based activities with enriching community experiences. With an average of six hours per scheduled day, participants grow in confidence, skill, and independence—all in a supportive and inclusive environment.

## Volunteering That Makes a Difference

With support from Direct Support Professionals, clients also give back through volunteer opportunities that match their passions—whether helping at a food bank, caring for animals, or supporting local causes. These experiences build real-world skills and foster a deep sense of purpose.

## Integrated with the Community

Clients take part in meaningful outings, from exploring local parks and museums to visiting local businesses—all planned around their interests. These outings promote confidence, independence, and social engagement. Occasionally, participants join other Nexus day programs for larger community events, helping strengthen connections beyond our centers.

*Experiences that build real-world skills.*

## Referral & Enrollment Process

### Schedule a Tour

Reach out to our Client Services Manager to schedule a visit, ask questions, and learn more about our services and eligibility requirements.

### Connect with Your FNRC Service Coordinator

Speak with your Far Northern Regional Center (FNRC) Service Coordinator about joining our program. They will submit a referral to WTC on your behalf.

### Referral Review

Our team carefully reviews each referral to ensure a strong match between the program and your individual needs.

## Enrollment Requirements

**To participate, individuals must:**

- Be 18 years or older
- Have independent mobility (ambulatory)
- Manage personal daily activities (ADLs) without assistance
- Self-administer necessary medications during the program day
- Function well in group settings with a 1:4 staff ratio
- Be able to engage safely in the program environment.
- Commit to attending program regularly
