

Our Mission

Our mission is to assist and support people with disabilities to enhance the quality of their lives through increased independence in work and leisure activities.

Our Core Values

INDIVIDUALS MATTER

Every individual deserves to be given dignity and respect.

IT'S POSSIBLE

Anything can be accomplished through teamwork and innovation.

ADD VALUE

Do better. Do more. We believe that when we can, we should.

What is WTC's Community Employment Services?

Community Employment Services (CES) is dedicated to supporting and empowering individuals with disabilities

on their path to meaningful employment. At WTC, we believe in the power of work and strive to connect individuals with paid job opportunities that foster growth, independence, and long-term success. These aren't just any jobs—they offer competitive wages, equal to or above minimum wage! Our mission is to be your trusted resource for building the essential skills needed to secure and maintain employment within the community.

Observing our clients performing real job tasks helps us determine their level of employability.

Supported Employment for Adults with Disabilities

Supported Employment helps adults with disabilities secure and maintain competitive, community-based jobs with ongoing support. It focuses on building independence, job skills, and workplace success through personalized assistance.

Benefits Planning

Community Employment Services provides personalized guidance on how employment may affect public benefits such as Social Security and Medicare. A Certified Work Incentives Practitioner (CWIP) offers expert advice on work incentives and benefits impact.
