Group Social

Recreation (GSR) Program

Our Group Social Recreation Program invites adults with developmental disabilities to explore new adventures, build friendships, and enjoy the best of our community—all while having fun. Participants are matched with peers who share their interests and supported by our enthusiastic DSPs to plan and enjoy outings like live sporting events, local music, biking, Farmer's Markets, going to health clubs, playing Bingo, movies, out-of-town excursions, and much, much more!

And, if you are actively participating in our weekly scheduled **Social Recreation Groups**, you'll automatically become a Do-It Leisure member! As an added bonus, members receive discounts on all upcoming activities and events.

To join the program, a referral from your FNRC Service Coordinator is required, or you can call us directly at (530) 343-6055 for more information.
